

KANAK TRIPATHI MEMORIAL SCHOLARSHIP – 2022-23

Udaya Public School firmly believes in all-inclusive and holistic education. Our sincere endeavor has been to ensure we provide full support to children from all walks of life. Kanak Tripathi Memorial Scholarship was established keeping in mind this commitment.

Therefore this year we are offering scholarships not only for academic achievements but also for a student's creative qualities that sometimes might not get showcased in a linear educational curriculum. This includes voluntary work, artistic skills, creative-focused thinking.

This new scholarship program, '**Be Creative Scholarship**' will encourage applicants to participate in a customized curriculum focusing on creative skills opportunities, such as creative thinking, problem-solving, and presentation skills, all of which will contribute to the scholar's academic performance and creative mindset.

Scholars will also be encouraged to participate in the creative activities of their choice (such as music lessons or dance classes), ensuring that such out-of-the-box mindset and thinking is equally rewarded and honed.

EXAM PATTERN
